So use it that's what it's for
Go inside, for your finest inspiration
Your dreams will open the door

It makes no difference if you're black or white
If you're a boy or a girl
If the music's pumping it will give you new life
You're a superstar, yes, that's what you are, you know it

Come on, vogue
Let your body groove to the music
Hey, hey, hey

Let your body go with the flow
You know

7 Dude (Looks Like A Lady)

That, that dude looks like a lady
That, that dude looks like a lady
That, that dude looks like a lady
That, that dude looks like a lady

Cruise into a bar on the shore
Her picture graced the grime on the door
She's a long lost love at first bite
Baby maybe you're wrong but you know it's all right
That's right

That, that dude looks like a lady
That, that dude looks like a lady
That, that dude looks like a lady
That, that dude looks like a lady

Never judge a book by it's cover
Or who you gonna love by your lover
Sayin' love put me wise to her love in disguise
She had the body of a Venus, Lord imagine my surprise.

That, that dude looks like a lady
That, that dude looks like a lady
That, that dude looks like a lady
That, that dude looks like a lady

That, that dude looks like a lady
That, that dude looks like a lady
That, that dude looks like a lady
That, that dude looks like a lady

8 The Edge Of Glory

There ain't no reason you and me should be alone
Tonight, yeah, baby!
Right on the limits where we know we both belong tonight

It's hard to feel the rush, to brush the dangerous
I'm gonna run right to, to the edge with you
Where we can both fall far in love

I'm on the edge of glory, and I'm hanging on a moment of truth
Out on the edge of glory, and I'm hanging on a moment with you
I'm on the edge,
I'm on the edge of glory, and I'm hanging on a moment with you
I'm on the edge

I'm on the edge of glory, and I'm hanging on a moment of truth
Out on the edge of glory, and I'm hanging on a moment with you
I'm on the edge,
I'm on the edge of glory, and I'm hanging on a moment with you
I'm on the edge with you.

FOWL PLAY

9 Ride A White Swan

Ride it on out like a bird in the sky ways
Ride it on out like you were a bird
Fly it all out like an eagle in a sunbeam
Ride it on out like you were a bird

Wear a tall hat like a druid in the old days
Wear a tall hat and a tatoood gown
Ride a white swan like the people of the Beltane
Wear your hair long, babe you can't go wrong

Catch a bright star and a place it on your fore-head

Say a few spells and baby, there you go
Take a black cat and sit it on your shoulder
And in the morning you'll know all you know, oh

Ride it on out like a bird in the sky ways
Ride it on out like you were a bird
Fly it all out like an eagle in a sunbeam
Ride it on out like you were a bird

Wear a tall hat like a druid in the old days
Wear a tall hat and a tatoed gown
Ride a white swan like the people of the Beltane
Wear your hair long, babe you can't go wrong

Da-da-da-di-di-da, da-da-da-di-di-da
Da-da-da-di-di-da, da-da-da-di-di-da

10 Rockin' Robin

He rocks in the tree tops all day long
Hoppin' and a-boppin' and singing his song
All the little birdies on Jaybird Street
Love to hear the robin go tweet tweet tweet

Rockin' robin, rock rock
Rockin' robin'
Blow rockin' robin
'Cause we're really gonna rock tonight

Every little swallow, every chick-a-dee
Every little bird in the tall oak tree
The wise old owl, the big black crow
Flappin' their wings singing go bird go

Rockin' robin, rock rock
Rockin' robin'
Blow rockin' robin
'Cause we're really gonna rock tonight

Pretty little raven at the bird-band stand
Told them how to do the bop and it was grand
They started going steady and bless my soul
He out-bopped the buzzard and the oriol

He rocks in the tree tops all day long
Hoppin' and a-boppin' and singing his song
All the little birdies on Jaybird Street

Love to hear the robin go tweet tweet tweet

Rockin' robin, rock rock
Rockin' robin'
Blow rockin' robin
'Cause we're really gonna rock tonight

11 Blackbird

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise.

Blackbird singing in the dead of night
Take these sunken eyes and learn to see
All your life
You were only waiting for this moment to be free.

Blackbird fly Blackbird fly
Into the light of the dark black night.

Blackbird singing in the dead of night
Take these broken wings and learn to fly
All your life
You were only waiting for this moment to arise
You were only waiting for this moment to arise
You were only waiting for this moment to arise

12 Three Little Birds

Don't worry about a thing,
'Cause every little thing gonna be all right.
Singin' Don't worry about a thing,
'Cause every little thing gonna be all right!

Rise up this mornin',
Smile with the risin' sun,
Three little birds
Pitch by my doorstep
Singin' sweet songs
Of melodies pure and true,
Sayin' This is my message to you-ou-ou

Singin' Don't worry 'bout a thing,
'Cause every little thing gonna be all right.
Singin': Don't worry 'bout a thing,

'Cause every little thing gonna be all right!

Don't worry about a thing, worry about a thing, oh!
Every little thing gonna be all right. Don't worry!
Singin': Don't worry about a thing - I won't worry!
'Cause every little thing gonna be all right.

But long as there are stars above you

Well life would still go on believe me
The world could show nothing to me
So what good would living do me

God only knows what I'd be without you

God only knows
God only knows what I'd be without you
God only knows what I'd be without you
God only knows
God only knows what I'd be without you
God only knows what I'd be without you

14 When The Going Gets Tough (The Tough Get Going)

When the going gets tough

The tough get going

I got something to tell you
I got something to say
I'm gonna put this dream in motion
Never let nothing stand in my way

When the going gets tough the tough get going

I'm gonna buy me a one-way ticket
Nothing's gonna hold me back
Your love's like a slow train coming (slow train coming)
And I feel it coming down the track (woah)

Daaaaaaaaaarlin', I'll climb any mountain
Daaaaaaaaaarlin', I'll swim any sea
Daaaaaaaaaarlin', I'll reach for the heavens
Daaaaaaaaaarlin', I'll do any thing

When the going gets tough The tough get going
When the going gets rough The tough get going rough

When the going gets tough
When the going gets rough er! er!
When the going gets tough
When the going gets rough er! er!

Yeah yeah yeah

15 Spirit In The Sky

When I die and they lay me to rest
Gonna go to the place that's the best
When I lay me down to die
Goin' up to the spirit in the sky

Goin' up to the spirit in the sky
That's where I'm gonna go when I die
When I die and they lay me to rest
I'm gonna go to the place that's the best.

Never been a sinner I never sinned
I got a friend in Jesus
So you know that when I die
He's gonna set me up with the spirit in the sky

Oh set me up with the spirit in the sky

That's where I'm gonna go when I die
When I die and they lay me to rest
I'm gonna go to the place that's the best

Goin' on up to the Spirit in the Sky
That's where I'm gonna go when I die
When I die and they lay me to rest
I'm gonna go to the place that's the best
Go to the place that's the best
Go to the place that's the best

16 Don't Let The Sun Go Down (On Me)

I can't light no more of your darkness
I took a chance and changed your way of life
But you misread my meaning when I met you
Closed the door and left me blinded by the light

Don't let the sun go down on me
Although I search myself, it's always someone else I see
I'd just allow a fragment of your life to wander free
But losing everything is like the sun going down on me

THE SHOW MUST GO ON

17 Beautiful

You've got to get up every morning with a smile on your face
And show the world all the love in your heart
Then people gonna treat you better
You're gonna find, yes, you will
That you're beautiful as you feel

I have often asked myself the reason for sadness
In a world where tears are just a lullaby
If there's any answer, maybe love can end the madness
Maybe not, oh, but we can only try

You've got to get up every morning with a smile on your face
And show the world all the love in your heart
Then people gonna treat you better
You're gonna find, yes, you will
That you're beautiful you're beautiful you're beautiful as you feel

18 Mr. Mistoffelees

You ought to ask Mr. Mistoffelees

The original conjuring cat

The greatest magicians have something to learn
From Mr. Mistoffelees's conjuring turn

And we all say
Oh, well I never, was there ever
A cat so clever as magical
Mr. Mistoffelees
Oh, well I never, was there ever
A cat so clever as magical
Mr. Mistoffelees

He is quiet and small, he is black
From the ears to the tip of his tail
He can creep through the tiniest crack
He can walk on the narrowest rail

He can pick any card from a pack
He is equally cunning with dice
He is always deceiving you into believing
That he's only hunting for mice

He can play any trick with a cork
Or a spoon and a bit of fish paste
If you look for a knife or a fork
And you think it was merely misplaced

You have seen it one moment
And then it is gone
But you find it next week
Lying out on the lawn

And you'll all say
Oh, well I never, was there ever
A cat so clever as magical
Mr. Mistoffelees
Ladies and gentlemen
I give you the marvelous, magical Mr. Mistoffelees

19 Walk Like A Man

Oo woo-oo-oo oo woo-oo-oo
oo woo-oo-oo oo woo-oo-oo
Walk like a man

Oh how you tried

To cut me down to size
By telling dirty lies to my friends
But soon you'll be crying
On 'count of all you're lying
Oh yeah, just look who's laughing now

I'm gonna walk like a man
Fast as I can
Walk like a man from you
I'll tell the world
Forget about it girl
And walk like a man from you

oo woo-oo-oo oo woo-oo-oo
oo woo-oo-oo oo woo-oo-oo
oo woo-oo-oo oo woo-oo-oo
oo woo-oo-oo oo woo-oo-oo

20 Let It Be

When I find myself in times of trouble
Mother Mary comes to me
Speaking words of wisdom, let it be
And in my hour of darkness
She is standing right in front of me
Speaking words of wisdom, let it be

Let it be, let it be
Let it be, let it be
There will be an answer, let it be

And when the night is cloudy
There is still a light that shines on me
Shine on until tomorrow, let it be
I wake up to the sound of music,
Mother Mary comes to me
Speaking words of wisdom, let it be

Let it be, let it be
Let it be, yeah, let it be
Oh, there will be an answer, let it be
Let it be, let it be
Let it be, yeah, let it be
Whisper words of wisdom, let it be

ROYALTY

Ohhhhh...

Once upon a time somebody ran
Somebody ran away saying fast as I can
I've got to go, I've got to go!!!

Once upon a time we fell apart
You're holding in your hands the two halves of my heart
Ohhhhh, ohhhhh!

Ohhhhh...

Once upon a time, we burned bright
Now all we ever seem to do is fight
On and on...
And on and on and on...

Once upon a time on the same side.
Once upon a time on the same side, in the same game
And why'd you have to go, have to go and throw water on my flame

I could've been a princess, you'd be a king
Could've had a castle, and worn a ring
But no, you let me go

I could've been a princess, you'd be a king
Could've had a castle, and worn a ring
But no, you let me go

And stole my star
La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la
La, la, la, la, la, la, la, la

You stole my star
La, la la la la laaaaaa

22 Purple Rain

I never meant to cause you any sorrow
I never meant to cause you any pain
I only wanted one time to see you laughing
I only want to see you laughing in the purple rain

Purple rain Purple rain
Purple rain Purple rain

Purple rain Purple rain
I only want to see you bathing in the purple rain

Purple rain Purple rain
Purple rain Purple rain
Purple rain Purple rain
I only want to see you, only want to see you
In the purple rain

23 Killer Queen

She keeps Moët et Chandon
In her pretty cabinet
'Let them eat cake,' she says
Just like Marie Antoinette
A built-in remedy
For Kruschew and Kennedy
At anytime an invitation
You can't decline

Caviar and cigarettes
Well versed in etiquette
Extraordinarily nice

She's a Killer Queen
Gunpowder, gelatine
Dynamite with a laser beam
Guaranteed to blow your mind
Anytime

Recommended at the price
Insatiable an appetite
Wanna try?

To avoid complications
She never kept the same address
In conversation
She spoke just like a baroness
Met a man from China
Went down to Geisha Minah
Then again incidentally
If you're that way inclined

Perfume came naturally from Paris
For cars she couldn't care less
Fastidious and precise

She's a Killer Queen
Gunpowder, gelatine
Dynamite with a laser beam
Guaranteed to blow your mind
Anytime

Recommended at the price
Insatiable an appetite
Wanna try?
You wanna try...

24 Use Somebody

I've been roaming around
Always looking down at all I see
Painted faces, fill the places I can't reach

You know that I could use somebody
You know that I could use somebody

Someone like you, and all you know, and how you speak
Countless lovers under cover of the street

You know that I could use somebody
You know that I could use somebody
Someone like you

I've been roaming around,
Always looking down at all I see

Choosing your battles
Pick yourself up
And dust yourself off
Get back in the saddle

You're on the front line
Everyone's watching
You know it's serious

The pressure's on
You feel it
But you got it all
Believe it

Seek for the way, way, way

Lord of my need, need, need
Leading me on, on, on.....

28 Africa

I hear the drums echoing tonight
But she hears only whispers of some quiet conversation
She's coming in twelve-thirty flight
Her moonlit wings reflect the stars that guide me towards salvation
I stopped an old man along the way
Hoping to find some old forgotten words or ancient melodies
He turned to me as if to say:
Hurry boy, she's waiting there for you

It's gonna take a lot to drag me away from you
There's nothing that a hundred men or more could ever do
I bless the rains down in Africa
I bless the rains down in Africa
Gonna take some time to do the things we never had

FINALE - CREDITS

29 Postcards

Sundays sitting on your back porch,
And I came armed with a couple of chords,
And I played for you.
You let me keep you entertained,
With stories I exaggerate,
That you know aren't true

We chased the sun till it got away
On a bicycle that your Daddy made,
But not made for two.
Then we sat out on your rocking chair,
You with a flower in your hair that I found for you.

But then Monday always comes around,
And it's sad coz I can't see you now.
I want you to know you're always in my head.

I'm sending postcards from my heart,
With love for a postmark and then,
You'll know that you make me,
Feel like we've been caught.
Like kids in the school-yard again.
And I can't keep it to myself.
Can't spell it any better:
L-O-V-E forever.
I hope you know that I'm,

Sending a postcard,
I don't care who sees what I've said.
Or if the whole world knows what's in my head.

Know oh oh know oh oh know oh oh
All the things I want you to know

FINALE - TRIBUTE

29 Every 1's A Winner

Never could believe the things you do to me
Never could believe the way you are
Every day I bless the day that you got through to me
'Cause baby, I believe that you're a star

Everyone's a winner, baby, that's the truth
Everything we do is such a thrill
Everyone's a winner, baby, that's no lie
You never fail to satisfy
Let's do it again

Everyone's a winner, baby, that's the truth
Everything we do is such a thrill
Everyone's a winner, baby, that's no lie
You never fail to satisfy
Let's do it again

Oh, baby Oh, baby Oh, baby...

31 **Something Tells Me** (Something's Gonna Happen Tonight)

Something tells me something's gonna happen tonight
I read in the papers that gemini people will make it tonight
Stars will be shining my sign is aligning with love
So come on and make it, let's take everything that we've been dreaming of

Something tells me, something's gonna happen to you
The smile on my face is the smile you'll wear in a moment or two
So get it together, you see it's gonna be alright
Something tells me something's gonna happen tonight

Oh baby, something tells me, something's gonna happen to you
The smile on my face is the smile you'll wear in a moment or two
So get it together, you see it's gonna be alright
Something tells me something's gonna happen tonight

Oh baby, something tells me, something's gonna happen to you
The smile on my face is the smile you'll wear in a moment or two
So get it together, you see it's gonna be alright
Something tells me something's gonna happen tonight

32 Stand By Me

When the night has come
And the land is dark
And the moon is the only light we'll see
No I won't be afraid
Oh, I won't be afraid
Just as long as you stand, stand by me

So darling, darling
Stand by me, oh stand by me
Oh stand, stand by me
Stand by me

And darling, darling
Stand by me, oh stand by me
Oh stand now, stand by me
Stand by me

And darling, darling
Stand by me, oh stand by me
Oh stand now, stand by me, stand by me

Whenever you're in trouble won't you stand by me
Oh stand by me, won't you stand now, oh, stand
Stand by me

33 Making Memories

We've been making memories for a long, long, long, long time:
It's a lovely thing to do and we've made them all for you.
We've been making memories, and if you're very smart,
You'll take each little memory and lock it in the pock-et of your heart: (YEAH!)
Day and night and night and day, the songs that we have sung,
Have echoed over land and over seas:
Already we have shared them with the friends we know:
Now we're going to leave them with you when we go.
This is the best of legacies;
It's ours for making memories!

Crest Of A Wave

We're riding along on the crest of a wave and the sun is in the sky,
All our eyes on the distant horizon, look out for passers-by.
We'll do the hailing while other ships are round us sailing
We're riding along on the crest of a wave and the world is ours

34 Dance With Me Tonight

My name is Olly nice to meet you can I tell you baby
Look around there's a whole lot of pretty ladies
But none like you, you shine so bright, yeah

I was wondering if you and me could spend a minute
On the floor up and close getting lost in it
I won't give up without a fight

I just wanna, oh baby
I just want you to dance with me tonight
So come on, oh baby
I just want you to dance with me tonight

Come on Shake it like that,
Now bring it all back
To dance with me tonight
One more time, one more time, come on now
Do your thing,
Everybody sing (I just want you to dance with me tonight)

I just wanna, oh baby
I just want you to dance with me tonight
Come on now
